I took care of him during his illness. Not pretty. The overall look of your website is magnificent, as well as the content. He supposedly died in the Ara Coeli in Rome in Defensoria octo Ordinis Fratrum Minorum. So, in a way, while hormesis corresponds to situations by which the individual organism benefits from direct harm to itself, evolution occurs when harm makes the individual organism perish and the benefits are transferred to others, the surviving ones, and future generations.
