## **HER**

On a completely flat Earth with no visual interference such as trees, hills, or atmospheric haze the ground itself would never obscure distant objects; one would be able to see all the way to the edge of the surface.

## **ECON 101: Understanding the Language of Economics**

A glimpse into all the different lives of the social classes, and the light and shade of social acceptance within their symbiotic relationships.

## **The Whisper of a Wing**

Sometimes our perception of the potential costs is so daunting to us; we train the mind to become indifferent to keep from feeling possible disappointment and never act on what matters to us. This is a good article for those who blame the church and are in denial about themselves.

## **In the Name of the People: Reflections on Democracy, Freedom and Development**

According to Aristotle Physics II. To ensure that our Website remains secure and is not subject to any hacking or fraud.

## **Smokie: Nearly but not quite!**

Facebook Unable to display Facebook posts. We hope to encourage discussion of death, to make it less scary and help people make preparations to free them up to enjoy life freely.
