Tombstone (Port Hope Simpson Mysteries Book 5)

This series has everything: time travel, magic, beings from folklore, such as elves, ogres, etc, modern technologies, future developments, politics, alien intelligent species, crime, punishment, ethics and morality, all set against a backdrop of reasoning about the nature of life, of religions, of the concept of god, the infinite and the cosmos, seasoned with a delightful sense of irony and wit. The Foundation series, most especially the first book in the series, has a beautiful vision of a galactic empire, doomed by probability to fail, and the preparations for what will replace it. The oppressed must become Subjects of the latter process, however, lest they continue to be seen as mere objects of scientific.
